

CANYON CREEK AUSSIES CONTRACT

Canyon Creek guarantees this puppy to be free of Major Diseases (Parvo, Distemper, Corona and Rabies) for a period of 24 hours from the date of sale stated on the Pet Record. We also require that you take your new puppy to your vet within the first 24 hours of receiving him or her. Said puppy is healthy and in sound condition when they leave our care and have had a thorough vet check with our veterinarian. Buyer is responsible to have a licensed veterinarian administer the rest of the vaccine series following vaccines that have been given by breeder. If the buyer fails to have the vet check within 24 hours or fails to continue vaccines as stated above, parties agree this guarantee is considered null and void.

Canyon Creek also guarantees this puppy to be free of Genetic Defects until the puppy reaches ONE YEAR of age. If this puppy is found to have a genetic defect it will be replaced with another puppy of the same sex from the first compatible litter. No money will be refunded. Buyer is responsible for the shipping cost of the replacement puppy. Seller is not responsible for any vet bills. NO exceptions. It is your responsibility to keep your puppy from unhealthy environments until it has had the full vaccination regime.

This health guarantee does not cover any parasite, internal or external, as this is a treatable condition.

Buyer will receive a copy of the immunization schedule and record with the puppy, or prior to puppy arriving to buyer.

If your puppy displays any indication of poor health within the first 24 hours, we must be contacted and the puppy must be brought back or taken to our veterinarian for any necessary treatment. Puppies that go out of state must go to a licensed veterinarian and signed documentation must come to us immediately. Failure to do so will cause this guarantee to become null and void. Keep in mind that the transition to a new home, new food, travel, etc., can cause puppy to display symptoms of a change in stool due to stress. We have included a sample of our puppy food. Please use this food to transition your puppy to the food you will be feeding. Over the course of a week you should gradually add the food you will feed until you have completed the transition. Do not change food all at once or puppy will have discomfort and loose stool.

Also, this guarantee shall become null and void if the puppy is given any vaccinations or medications other than what is specified on the medical record you received with the puppy registration. Also, all vaccinations must be given in accordance to our schedule.

A deposit equal to half of the price of the puppy will be required to hold a puppy. Please note that any deposits or monies sent are non-refundable.

We ship puppies out of Salt Lake City International Airport with Delta Airlines. We will meet you at the airport if you choose to fly in and pick up your puppy, or you can pick up your puppy. We schedule the flights to the airport you request and will let you know the flight number, date and time of departure and arrival.

No Canyon Creek puppy can be registered as any other breed of dogs. They will remain AKC registered Australian Shepherds, registered with the American Kennel Club.

Any puppy that is not picked up or shipped by 10 weeks will be subject to a boarding fee. Also any expenses incurred for purchased puppy will be responsibility of the buyer.
